16-YEAR CONVICT'S STORY

OVER WAR COUNCIL

WASHINGTON, Feb. 1.-Edwa Morrell, who told the House Labcommittee he had been for sixteen onfinement in San Quentin Prison dungeon, and once was held in a straightjacket for 106 consecutive hours, all for holding up Southern Pacific trains, testified to-day in support of the Bocher bill to employ convict labor in production of war supplies.

Morrell's account of how the penitentiary officials tried to "break" him aroused interest and sympathy among the committeemen. While in San Quen-tin, he said, he learned sixteen prison "trades." including how to open safes ind pick pockets.

his party leaders in the Senate, the President counselled against further discussion of the Chamberlain "War EX-CZAR JUST AN ORDINARY Cabinet" and Munitions Minister bills on the floor. He continues strongly

He declared the Hailroad Control bill must be speeded up in the face of the critical conditions this year presents in the war and strongly urged that there be a minimum of talk and a maximum of action.

The President, however, probably will be unable to stop the promised this State, but that when he has lost discussion of the Chamberlain measures.
